Dear Exhibitors,

we offer you a complete construction of your exhibition stand:

We supply

- ✓ standard stands using the Octanorm or Maxima Light systems
- ✓ design custom-built stands – using glass, textile, wood, metal
- ✓ two-storey stands
- ✓ ground floor and two-storey outdoor stands
- ✓ original fittings hung from the hall ceiling

The Stand Construction and Services team is ready to prepare for you a free of charge bidding project including quotation. Do not hesitate to send us your enquiry!

The Stand Construction and Services team is the official stand constructor of the Brno Exhibition Centre:

- ✓ we advise you on choosing the space in the pavilion
- ✓ we develop individual solutions
- ✓ we cooperate with professional architects
- ✓ we use quality materials and new technologies
- ✓ we monitor and implement exhibition industry innovations
- ✓ we provide you with a complete service during the event

We give shape to your ideas...
