More reasons to exhibit at INTERPROTEC

Safety, protection of life, health and property = values in the forefront of interest of all developed countries in the world

- Unique event of its kind in the Czech Republic
- Held parallel with MSV 2012 – an enormous potential of prospective customers, new contacts and business opportunities
- Foundry, welding, mining and metallurgical companies are among the biggest customers for personal protective equipment
- Regularly attended by leaders in the branch
- High quality exhibits
- Large number of expert visitors among attendees
- Modern exhibition centre
- Extensive supporting programme focused on topics in the field of health protection and workplace safety

Synergy effects

The INTERPROTEC fair is held concurrently with the most important industrial trade fairs in Central and Eastern Europe

MSV 2012
54th International Engineering Fair
