Brno Exhibition Centre

Dear Exhibitors,

we offer you a complete **construction of your exhibition stand**:

We supply

- ✓ standard stands using the Octanorm or Maxima Light systems
- ✓ design custom-built stands – using glass, textile, wood, metal
- ✓ two-storey stands
- ✓ ground floor and two-storey outdoor stands
- ✓ original fittings hung from the hall ceiling

The Stand Construction and Services team is ready to prepare for you a **free of charge bidding project including quotation**. Do not hesitate to send us your enquiry!

The Stand Construction and Services team is the official stand constructor of the Brno Exhibition Centre:

- ✓ we advise you on choosing the space in the pavilion
- ✓ we develop individual solutions
- ✓ we cooperate with professional architects
- ✓ we use quality materials and new technologies
- ✓ we monitor and implement exhibition industry innovations
- ✓ we provide you with a complete service during the event

**We give shape to your ideas...**
