

SUPPORTING PROGRAMME

7.–11. 4. 2024

Big Beekeeping Sales Exhibition

Venue: hall G1

Livestock Show

Venue: open area K

Presentation and sale of Czech food

Venue: hall G1

Forest pedagogics

Laser shooting range

Exhibition of trophies of district hunting clubs from Brno, Židlochovice, Rosice, Kuřim

Hunting crafts in practice: metal engraving, leather engraving, gunsmithing, carving, knife making

Presentation of the Obelisk Game Preserve, record deer trophies

Harvestor simulator

Venison restaurant

Hunting carriage of Archduke Charles

Museum of the City of Brno

Red deer trophy from the exposition of Franz Vogt

Historical maps

Trophies and African wildlife

Advisory centre for forest owners

Venue: hall Z

Archery

Venue: open area Z1

7. 4. 2024, Sunday

10:00–16:00

Beekeeping – lectures

Venue: hall P, room P1

9:00–13:00

Assembly of the Chamber of Agriculture of the Czech Republic

Venue: Rotunda, hall A

Note: by invitation only

12:00–14:00

Smart Farm – Agriculture is packed with modern technologies

Venue: hall F – stage

PR presentation to improve the industry image for young generation and the public – an industry full of top technologies

18:30

Festive opening of the fairs

Venue: hall A1

Note: by invitation only

9:00–18:00

Stage At the Linden Tree (U Lípy)

Venue: hall Z

9:00–9:15

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

9:15–9:30

Bugling demonstrations

9:30–10:00

Lecture on roe deer, abnormalities

Lecturer: Pavel Scherer

10:00–10:30

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor (and Czech King) called Emperor Charles I of Austria

Lecturer: Václav Obr

10:30–11:00

Ceremonial unveiling and presentation of Franz Vogt's legendary trophy and its evaluation

Participants: Jan Škopík, David Vaca, Miloslav Vach

11:00–12:00

Discussion with Václav Cílek about the second edition of the Book on the Climate of the Lands of the Bohemian Crown

12:00–12:30

Miroslav Popelka, Hunting in the Stone Age

12:30–13:00

Wolf in the Czech landscape

Lecturers: Tomáš Havrlant, Kamil Zahradník

13:30–14:00

Actor and host Zdeněk Junák will talk about his relationship to nature and will also play and sing

14:30–15:00

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor (and Czech King) called Emperor Charles I of Austria

Lecturer: Václav Obr

15:00–15:30

Obelisk preserve – lecture on the role and benefits for the landscape

Lecturer: František Fabičovic

15:30–16:00

Miroslav Popelka, Hunting in the Stone Age

16:00–16:30

Dulcimer music by Jožka Šmukař

16:30–17:00

Talking about hunting with Jožka Šmukař

17:00–17.45

Festive opening of SILVA REGINA, BIOMASA

17.45–18:00

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

12:00–17:00

Stihl Timbersports® Czech Cup Silva Regina 2024

Venue: open area R

12:00 Start Men / Women

12:05 STOCK SAW

13:00 STANDING BLOCK CHOP

14:00 SINGLE BUCK

15:00 UNDERHAND CHOP

16:00 Closing ceremony

9:30–18:00

Expert conference on climate change and agriculture

Organizer: Chamber of Agriculture of the Czech Republic

Venue: Rotunda, hall A

10:00–12:00

Smart Farm – Modern technologies in agricultural practice

Drones, satellites, sensors and future technologies

Venue: hall F – stage

10:00–12:00

Wood for Life

Comparison of managerial practices in forestry and viticulture in the Czech Republic and Austria – discussion forum

Organizer: CZ-EN journal Priority Business & Government and Czech Management Association

Venue: hall P, room P3

14:00–16:00

Smart Farm – Preparing a farm for precision farming

How to get the most out of the machinery + optimizing the movement of the machinery on the land + optimizing the shape of the land + preparing the team

Venue: hall F – stage

9.00–18:00

Stage At the Linden Tree (U Lípy)

Venue: hall Z

9.00–9:20

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

9:20–9:30

Bugling demonstrations

9:30–10:00

Current issues in forestry and hunting

Lecturer: Jan Řezáč, Forestry and Game Management Research Institute

10:00–10.20

Lecture on roe deer, abnormalities

Lecturer: Pavel Scherer

10.20–11:00

Presentation of Franz Vogt's legendary trophy and its evaluation

Participants: Jan Škopík, David Vaca, Miloslav Vach

11:00–12:00

Panel discussion on "Forestry and manufacturing under climate change"

Participants: Václav Čílek, Vilém Podstránský, Jaroslav Kubišta, Josef Kindl, Martin Polívka

12:00–12:30

Dulcimer music by Jožka Šmukař

12:30–13:00

Musical star and hunter Marián Vojtko about hunting and game keeping

13:00–13:30

Petr Joo and Jožka Šmukař about hunting

13:30–14:00

Hunting dog training, presentation of dachshund breed

14:00–14:15

Handmade hunting knives and fangs

14:15–14:30

Artistic engraving and decorating of cold and fire hunting weapons

14:30–15:00

Wolf in the Czech landscape

Participants: Kamil Zahradník, Petr Joo

15:00–15:30

Musical star and hunter Marián Vojtko about hunting and game keeping

15:30–16:00

Stabilization of forest during planned construction activities

Lecturer: Jiří Holický

16:00–16:30

Petr Joo – luring game together with students of the Czech Forestry Academy in Trutnov

16:30–16:50

Lecture by the Czech Forestry Academy on study fields

Lecturer: Miloš Pochobradský, director of the Czech Forestry Academy

16:50–17:10

Presentation of the competition for inquisitive schoolchildren YPEF (Young People in European Forests)

17:10–17:30

Lecture on roe deer

Lecturer: Pavel Scherer

17:30–18:00

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

12:00–17:00

Stihl Timbersports® Czech Masters Silva Regina 2024

Venue: open area R

12:00 Start Pro Series

12:05 Underhand Chop

12:40 Stock saw

13:15 Standing block chop

14:05 Best 8 for 2nd round

14:10 Single buck

14:30 Springboard

15:15 Best 6 for 3rd round

15:20 Hot saw warm up

15:30 Hot saw

16:00 Closing ceremony

10:00–13:00

Stage Under the Spruce Tree (Pod Smrkem)

Venue: hall Z

10:00–10:30

Sources of wood pellets, their quality, availability and qualitative integration of wood chips

Speaker: Vladimír Stupavský (Czech Pellet Cluster)

10:30–11:00

Biomass for energy purposes at Forests CZ. – experience with production and sale of biomass, outlook for the coming years

Lecturer: Radovan Srba (Lesy ČR, s.p.)

11:00–11:30

Strategies for the use of biomass under climate change in Austria

Lecturer: Christian Burger (AGRAR PLUS, GesmbH)

11:30–12:00

Support for the use of biogas, biomass, biomethane in the Czech Republic

Lecturer: Jan Habart (CZ Biom)

12:00–12:30

Practical Biomass Management in Church Forests

Lecturer: Petr Bláha (Benediktínská hospodářská správa Břevnov s r.o.)

12:30–13:00

Pick-up utility for samplings in mechanised planting in forestry and agroforestry

Lecturer: Radomír Ulrich (Mendel University in Brno)

9. 4. 2024, Tuesday

13:00–16:00

Pre-election debate with MEPs

Organizer: Agricultural Association of the Czech Republic

Venue: hall P, room P1

10:00–12:00

Smart Farm – Variable seeding / fertilization

Land mapping + data collection + data preparation + practical application

Venue: hall F – stage

14:00–16:00

Smart Farm – Targeted application of plant protection products

Land mapping + data collection + data preparation + practical application (selective autonomous technology)

Venue: hall F – stage

9.00–18:00 hod.

Stage At the Linden Tree (U Lípy)

Venue: hall Z

9.00–9:30

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

9:30–10:00

Hunting weapons, design and manufacture – Jan Kepák and Tomáš Rudolf

10:00–10:30

Presentation of the Association of Municipal, Private and Church Forest Owners in the Czech Republic (About making a manual for small-forest owners)

Lecturer: Tomáš Dohnanský

10:30–11:00

Dulcimer music by Jožka Šmukař

11:00–11:20

Demonstrations of birds of prey

11:20–12:00

Talking about Šumava and wildlife (little bears and Vydrýsek)

Performer: Václav Chaloupek

12:00–12:30

Jožka Šmukař about hunting

12:30–13:00

Obelisk preserve – lecture on the role and benefits for the landscape

13:00–13:30

Demonstration of Pritz Systeme arms

13:30–14:00

Making of artistic knives and fangs – Alexander Pospíšil

14:00–14:30

Demonstration of the terrier breed

14:30–14:45

Luring game together with students of the Czech Forestry Academy and Petr Joo

14:45–15:00

Disappearing Magic of Africa – Václav Chaloupek

15:00–15:30

Czech Forestry Academy in Trutnov – Taxidermy

15:30–16:00

Lecture on roe deer – Pavel Scherer

16:00–16:30

Josef Selement Trumpeter School at the Czech Forestry Academy in Trutnov – demonstrations and talks

16:30–16:45

YPEF (Young People in European Forests) – competition aimed at students of all primary and secondary schools –
Radka Stolaříková

16:45–17:00

Master Tomáš Rudolf and gunsmith Jan Kepák discuss studying gunsmithing

17:30–18:00

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

10:00–12:30

Stage Under the Spruce Tree (Pod Smrkem)

Venue: hall_Z

10:00–10:30

Research on wood chips, practical moisture measurements, storage and moisture measurement techniques

Lecturer: Ladislav Zvěřina (Mendel University in Brno)

10:30–11:00

Role of composting facilities and their practical use

Lecturer: Jan Švejkský (Association of Composting Facilities of the Czech Republic)

11:00–11:30

The role of composting facilities in the time of climate change – a chance to improve soil quality

Lecturer: Josef Šrefl (AGROINTEG s.r.o.)

11:30–12:00

Bioeconomy – circular economy

Lecturer: Jitka Meňházová (Mendel University in Brno)

12:00–12:30

Forest biomass from thinning and pruning, its use by composting and incineration

Lecturer: Radomír Ulrich (Mendel University in Brno)

10. 4. 2024, Wednesday

10:00–12:00

Smart Farm – Soil conservation technologies

Anti-erosion measures, correct water handling and compliance with legislation

Venue: hall F – stage

14:00–16:00

Smart Farm – Carbon farming, correct handling of organic matter and compliance with legislation

Landscape care and adaptation to climate change

Venue: hall F – stage

9.00–18.00

Stage At the Linden Tree (U Lípy)

Venue: hall Z

9:00–9:15

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

9:15–9:30

YPEF (Young People in European Forests) – competition aimed at students of all primary and secondary schools –
Radka Stolaříková

9:30–10:00

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor (and
Czech King) called Emperor Charles I of Austria

Lecturer: Václav Obr

10:00–10:30

Talking about Šumava and wildlife (little bears and Vydřísek)

Performer: Václav Chaloupek

10:30–11:00

Forestry project in Georgia

Lecturer: Pavel Peška, Forest Management Institute

11:00–11.30

EU Deforestation Regulation – current legal setting in the Czech Republic

Lecturer: Jana Čacká, Forest Management Institute

11.30–12:00

EU Deforestation Regulation – Information system and geolocation

Lecturer: Jan Ďoubal, Forest Management Institute

12:00–12:30

Dulcimer music by Jožka Šmukař

12:30–12:45

Petr Joo and Jožka Šmukař about hunting

12:45–13:15

Demonstration of the Pointer breed

13:00–13:30

Josef Selement Trumpeter School at the Czech Forestry Academy in Trutnov – demonstrations and talks

13:30–14:00

Demonstration of Pritz Systeme arms

14:00–14:30

Lecture on roe deer, age estimation of hunted roe deer

Lecturer: Pavel Scherer

14:30–15:00

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor (and
Czech King) called Emperor Charles I of Austria

Lecturer: Václav Obr

15.00–15.30

Dulcimer music by Jožka Šmukař

15.30–16.15

Disappearing Magic of Africa – Václav Chaloupek

16.15–16:30

Demonstrations of birds of prey

16:30–16:45

Demonstrations of luring game – Petr Joo

16:45–17:00

Czech Forestry Academy in Trutnov – Taxidermy

17:00–17:15

Study field gunsmithing – Tomáš Rudolf

17:15–17:30

Artistic metal engraving – Irena Fojtíková

17:30–18:00

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

10:00–12:00

Smart Farm – Livestock production

Use of AI and modern technologies

Venue: hall F – stage

9.00–16:00

Stage At the Linden Tree (U Lípy)

Venue: hall Z

9.00–9:30

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

9:30–10:00

Artistic metal engraving – Irena Fojtíková

10:00–10:30

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor (and Czech King) called Emperor Charles I of Austria

Lecturer: Václav Obr

10:30–11:00

Josef Selement Trumpeter School at the Czech Forestry Academy in Trutnov – demonstrations and talks

11:00–11:30

A new method of forest management as a tool to support forest diversity

Lecturer: Michal Kneifl (Mendel University in Brno)

11:30–12:00

Dulcimer music by Jožka Šmukař

12:00–12:30

Petr Joo and Jožka Šmukař about hunting

12:30–13:00

Czech Forestry Academy in Trutnov – Taxidermy

13:00–13:30

Age estimation for live roe deer – Pavel Scherer

13:30–14:00

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor (and Czech King) called Emperor Charles I of Austria

Lecturer: Václav Obr

14:00–14:30

Dulcimer music by Jožka Šmukař

14:30–15:00

Demonstrations of luring game – Petr Joo

15:00–15:30

Artistic metal engraving – Irena Fojtíková

15:30–16:00

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

As of 14. 3. 2024.

Change of programme reserved!
