STAINLESS 2013 in Brno

On 14 and 15 May 2013, the Brno Exhibition Centre holds the seventh international stainless steel exhibition, STAINLESS 2013. The exhibition is intended primarily for specialists in the steel industry and their business partners.

Please accept an invitation to participate in this important international meeting of the stainless steel industry.

There is great interest in participating - it is time to sign up!

Already now, 15 months before the exhibition, over 40 exhibitors confirmed their participation.

It is very convenient to apply in advance, as there are the best exhibition spaces available.

You can find the list of exhibitors and booked exhibition space [HERE](#).

Apply as quickly as possible and get a prime position in Hall F!

Please fill in the application form, which is available [HERE](#).

STAINLESS 2011 – 133 exhibitors from 16 countries

Participants of last year's edition rated the exhibition very positively. They emphasized the quality of acquired domestic and international contacts with potential customers and the importance of the exhibition as a meeting place with representatives of various companies operating in the field of stainless steel. For western exhibitors, Brno Stainless is a gateway to Central and Eastern Europe.
