

## Supporting programme

Odborný doprovodný program

---

### 22. 4. 2013, Monday

7.00–10.00 p.m.

#### **The OVERTURE to the Brno Building Fairs 2013**

Investors and the use of derelict buildings

Venue:

BVV Administration Building, Lounge 102

Professional sponsor:

The Czech Chamber of Chartered Engineers and Technicians (ČKAIT)

Organised by: The Czech Chamber of Chartered Engineers and Technicians, The Czech National Building Centre

Admission: by invitation

#### **PROGRAMME:**

The programme is hosted by Ing. Svatopluk Zídek (The Czech Chamber of Chartered Engineers and Technicians & the Czech Association of Building Engineers)

1. TOMIOCA silk mill – UNESCO nomination – prof. Ing. arch. Helena Zemánková, The Faculty of Architecture at Brno University of Technology
2. The conversion of the derelict Gothic Soběslav Castle into a “town library also used as a social centre for the town” – Ing. Jindřich Bláha, Mayor of Soběslav, Ing. arch. Jaromír Kročák, The Kročák Studio
3. The conversion of the derelict Monastic Church of Saint Joseph in Chrudim into a “Museum of Baroque Sculpture” – Mgr. Petr Řezníček, Mayor of Chrudim
4. A presentation of CONSTRUCTION REGISTERS 2013 – Ing. Pavel Křeček, PhDr. Benjamin Fagner, Ing. Šárka Janoušková

### 23. 4. 2013, TUESDAY

10.00 a.m.–1.30 p.m.

#### **Opening conference – Evaluating the energy properties of buildings**

Venue: Hall A, Rotunda

Professional sponsor:

prof. Ing. Alois Materna, CSc., MBA

– First Vice-president of the Czech Chamber of Chartered Engineers and Technicians

Organised by: BVV, The Czech Chamber of Chartered Engineers and Technicians

Admission: free

#### **The energy demands of buildings from the viewpoint of new legal regulations**

Prof. Ing. Karel Kabele, CSc.

Head of the Department of Micro-environmental and Building Services Engineering at the Czech Technical University in Prague

#### **Will certificates of the energy demands of buildings lead to a reduction of heat consumption in buildings?**

Ing. Jaroslav Šafránek, CSc.

The Construction Engineering Centre, Prague

#### **Structural concepts for energy efficient houses**

Doc. Ing. Josef Chybík, CSc.

Dean of the Faculty of Architecture at Brno University of Technology

#### **Sources of energy for buildings**

Prof. Ing. František Hrdlička, CSc.

Dean of the Faculty of Mechanical Engineering at the Czech Technical University in Prague

### **The use of solar energy in building systems**

Doc. Ing. Tomáš Matuška, Ph.D.  
The Department of Environmental  
Engineering at the Faculty of Mechanical  
Engineering at the Czech Technical  
University in Prague

### **The construction of energy efficient buildings in the Czech Republic and abroad**

Ing. arch. Josef Smola  
The Passive House Centre

10.00 a.m.–1.30 p.m.

#### **Opening conference – A new life for derelict buildings – Industrial footprints**

Venue: Hall E, Lounge E2

Professional sponsor:

Ing. Svatopluk Zídek, The Czech  
Association of Building Engineers

Organised by: BVV

Admission: free

#### **BLOCK 1**

- 1. The Industrial Heritage Charter  
as a contemporary reflection of changing  
values** – PhDr. Benjamin Fragner,  
The Research Centre for Industrial  
Heritage at the Faculty of Architecture  
at the Czech Technical University
- 2. The clearance of buildings in protected  
areas** – JUDr. Martin Zídek, Director of  
the Monument Inspectorate, The  
Ministry of Culture of the Czech Republic
- 3. Foreign support from EHP funds for  
monument renovation and other cultural  
areas** – Ing. Vladimír Študent, Head of the  
Department of EHP Funds, The Ministry  
of Culture of the Czech Republic

#### **BLOCK 2**

- 1. Approaches to monument care  
in the renovation of industrial and  
technical structures** – Ing. arch. Naděžda  
Goryczková, The Central Department  
of the National Heritage Institute

- 2. A conversion to create representative  
headquarters for the company TMT  
at the former sugar refinery in Chrudim**  
– Ing. Aleš Brotan, TMT Chrudim,  
spol. s.r.o. and Mgr. Leoš Strouhal,  
PRVNÍ STAVEBNÍ CHRUDIM a.s.
- 3. Cultural life in a Renaissance malt  
house in Žatec** – Mgr. Zdeňka  
Hamousová, Mayor of Žatec
- 4. From Přední Mlýn to Hotel Budweiss  
in České Budějovice** – Ing. Luděk  
Němec, Ph.D., Statika ČB
- 5. The transformation of post-war  
industrial architecture (buildings 14 and  
15 in Zlín)** – Ing. arch. Petr Všeťečka

#### **BLOCK 3**

- 1. An amusement park with a story  
– the headgear tower at the Kukla  
mine in Oslavany** – PhDr. Alena  
Lubasová, Ph.D., Strojírna Oslavany,  
spol. s.r.o.
- 2. An alternative tourist destination  
– a covered lime kiln in Albeřice**  
– Petr Růžička, construction designer,  
ARS TIGNARIA
- 3. A new function for a rapid forge  
in Vítkovice** – Ing. Milan Šraml,  
ARS Vítkovice, s.r.o.
- 4. Searching for a viable model  
for the brewery in Lobeč** –  
Ing. arch. Pavel Prouza, Lobeč Brewery

9.00 a.m.–4.00 p.m.

#### **How to achieve practically zero energy consumption in buildings**

Venue: Congress Centre, Lounge C

Professional sponsor: doc. Ing. Jiří Hirš, CSc.

Organised by: The Society of Environmental  
Engineering, Brno Regional Centre

Admission: free

10.00 a.m.–4.00 p.m.

#### **Innovations and trends in the building industry – education and technology**

Venue: Hall P, Lounge P4 – parts a, b

## Supporting programme

Odborný doprovodný program

---

Professional sponsor: The Regional Consultation and Education Centre of the J.A. Komenský Academy and DRING Consulting s.r.o.

Organised by: The Regional Chamber of Commerce of South Moravia

Admission: free

10.30–11.00 a.m.

### **The Association of Czech and Slovak Zinc Works**

Venue: the lecture stage of the Passive House Centre, Hall P

1.00–2.00 p.m.

### **Passive prefabs! What are you waiting for?**

Venue: Hall P, the stand of the Passive House Centre

Professional sponsor:

The Passive House Centre

Organised by: The Passive House Centre

Admission: free

An interactive exhibition about how to take advantage of this chance during renovations – come and listen, check it out and experience it!

2.00–5.00 p.m.

### **The future of small and medium-sized companies in the Czech building industry**

Venue: Hall P, Lounge P1

Professional sponsor: Karel Havlíček,

Chairman of the Board of Directors of the Association of Small

and Medium-sized Enterprises

and Crafts of the Czech Republic

Organised by: The Association of Small and Medium-sized Enterprises and Crafts of the Czech Republic

Admission: free

## **PROGRAMME:**

1. Development of the Czech building industry
2. Financing small and medium-sized enterprises in the building industry
3. Debt management
4. Public orders and small and medium-sized enterprises in the building industry
5. Amendments to building law
6. Corruption in the building industry

3.00–4.30 p.m.

### **Product of the Year 2013**

#### **– the announcement of the results**

Venue: Hall P, Lounge P3

Professional sponsor: RNDr. Jiří Hejhálek

Organised by: VEGA společnost s ručením omezeným, Hradec Králové, The Institute of Sustainable Construction, Brno

Admission: free

## **24. 4. 2013, WEDNESDAY**

9.00 a.m.–1.30 p.m.

### **Prospects for housing:**

#### **Modern technical facilities in buildings**

Venue: Hall P, Lounge P4 – parts c, d

Professional sponsor: Ing. Josef Košťál

Organised by: FCC Public, s.r.o.

Admission: free

9.00 a.m.–2.00 p.m.

### **The conference Quality in Public Building Orders**

Venue: Congress Centre, Lounge E

Professional sponsor:

doc. Ing. Lubomír Mikš, CSc.

Organised by: Ing. Rudolf Böhm

Admission: for a fee

A trade conference devoted to the issue of quality in building works.

Tools for quality control and building certification will also be on the agenda.

9.00 a.m.–2.00 p.m.

**Intelligent Buildings 2013**

Venue: Hall P, Lounge P1

Partner organisations: The Czech Business Council for Sustainable Development, BVV, The Czech Technical University in Prague, The Faculty of Civil Engineering and the Faculty of Electrical Engineering and Communication at Brno University of Technology, The Czech and Moravian Electrical and Electronic Association, The Association for Information Technologies and Telecommunications – ICT UNIE, The Czech Association of Building Engineers

Organised by:

The publishing house Sdělovací technika (Communication Technology)

Admission: free

9.30 a.m.–4.00 p.m.

**The conference “Support for Enterprise and Investments from EU Structural Funds on the Cusp of the Programme Periods 2007–2013 and 2014–2020”**

Venue: Hall P, Lounge P4, parts a, b

Professional sponsor:

The Investment and Business Development Agency CzechInvest, The Association for Foreign Investment – AFI

Organised by:

The Investment and Business Development Agency CzechInvest, The Association for Foreign Investment – AFI

Admission: free

2.00 4.00 p.m.

**Seminar "How to hold talks with investors: useful advice and recommendations"**

Venue: Hall P, Lounge P4 parts a, b

Professional sponsor: Association for Foreign Investment AFI, Investment and Business Development Agency CzechInvest  
Organized by: Association for Foreign

Investment AFI, Investment and Business Development Agency CzechInvest

Admission: upon registration

9.30 a.m.–2.00 p.m.

**Innovative technology in the treatment of communal and industrial waste water, including the processing and use of sludge from sewage treatment plants**

Venue: Hall P – lecture stage URBIS

Professional sponsor:

The Ministry of Industry and Trade of the Czech Republic and the Association for Water of the Czech Republic

Organised by:

The Ministry of Industry and Trade of the Czech Republic and the Association for Water of the Czech Republic

Admission: free

10.00 a.m.–6.00 p.m.

**Contact-Contract**

Business opportunities salon

Venue: Hall F

Professional sponsor:

Brno Regional Chamber of Commerce

Organised by: Brno Regional Chamber of Commerce

Admission: for a fee

1.00–2.00 p.m.

**Press conference of the Czech Statistical Office**

Venue: Hall E, Lounge E4 (Press Centre)

Organised by: The Czech Statistical Office

10.00 a.m.–2.00 p.m.

**What are the dangers to prefabricated buildings arising from inexperienced intervention?**

Venue: Hall P, Lounge P3

Professional sponsor:

Ing. Dominika Hejduková, The Education and Information Centre of the Czech Chamber of Chartered Engineers and Technicians

## Supporting programme

Odborný doprovodný program

---

Organised by: The Czech Chamber of Chartered Engineers and Technicians  
Lecturer: Ing. Jiří Koliba (Director of the State Housing Development Fund),  
Ing. Jaromír Vrba, CSc.,  
prof. Ing. Jiří Witzany, DrSc.,  
prof. Ing. Petr Štěpánek, Ing. Václav Honzík  
Admission: free

Acquainting planners, owners, building authorities and contractors with possible risks arising when apertures are made in prefabricated buildings at a later date following construction. The requirements of legal standards relating to the mechanical strength and stability of prefabricated buildings, requirements relating to the making of apertures, the importance of comprehensive inspection of the performance of supplementary apertures from the viewpoint of static safety, the importance of the rigidity of joints between wall and ceiling sections, calculation models, principles for relatively small apertures.

10.00 a.m.–4.00 p.m.

### **“WASTE 2013 – And What Now?”**

Venue: Congress Centre, Lounge C  
Professional sponsor: The Association of Operators of Technology for the Ecological Use of Waste

Organised by: The Association of Operators of Technology for the Ecological Use of Waste  
Admission: free

### **PROGRAMME:**

10.00 a.m.–12.00 noon

Lecturer: The Ministry of Industry and Trade of the Czech Republic  
Lecture Topic: A lecture on the exploitation of waste for energy  
Lecturer: The Ministry of the Environment of the Czech Republic  
Lecture Topic: A lecture on waste management  
Lecturer: Energie Wasser Bern

Lecture Topic: A new facility for the exploitation of waste for energy in Bern, Bern Waste Management

Lecturer: The Association of Operators of Technology for the Ecological Use of Waste  
Lecture Topic: The Czech Republic, energy from waste and its use

**Lunch 12.30–1.30 p.m.**

Lecturer: Termizo a.s.

Lecture Topic: The application of REACH in the exploitation of waste for energy

Lecturer: The Association of Operators of Technology for the Ecological Use of Waste

Lecture Topic: A screening of the film “There’ll be No Flood When We’ve Gone”

Lecturer: Waste Exploitation for Energy, Komořany / The Regional Integrated Centre for Waste / The Plant for the Exploitation of Waste for Energy, Chotíkov

Lecture Topic: The current situation in energy from waste projects

Lecturer: The Association for District Heating of the Czech Republic

Lecture Topic: A lecture on the exploitation of waste for energy

**Conclusion at 4.00 p.m.**

10.30–11.00 a.m.

### **The Association of Czech and Slovak Zinc Works**

Venue: the lecture stage of the Passive House Centre, Hall P

11.00–11.30 a.m.

### **HELUZ cihlářský průmysl v.o.s.**

Venue: the lecture stage of the Passive House Centre, Hall P

1.00–2.00 p.m.

### **Passive prefabs! What are you waiting for?**

Venue: Hall P, the stand of the Passive House Centre

Professional sponsor: The Passive House Centre

---

Organised by: The Passive House Centre  
Admission: free

An interactive exhibition about how to take advantage of this chance during renovations – come and listen, check it out and experience it!

2.00–4.00 p.m.

**CPR – CPD: a change to the conditions for releasing building products onto the EU market**

Venue: Hall P, Lounge P4 – parts c, d  
Professional sponsor: The Technical and Test Institute for Construction, Prague  
Organised by: The Technical and Test Institute for Construction, Prague  
Admission: free

**PROGRAMME:**

1. Changes to the assessment of the conformity of building products in the harmonised area
2. Changes to the assessment of the conformity of building products in the harmonised area within the framework of the organisation of entities for technical assessment

2.00–3.00 p.m.

**Světovar – a new investment opportunity in Pilsen**

Venue: Hall P – Lecture Stage Urbis  
Organized by:  
Urban Planning and Development Institute of the City of Pilsen  
Admission: free

2.30–3.00 p.m.

**MASLEN CZ s.r.o.**

Topic:  
Metal roofs – overcome your prejudices  
Venue: the lecture stage of the Passive House Centre, Hall P

3.00–8.00 p.m.

**Building of the South Moravian Region 2012 – the announcement of the results of the competition**

Venue: Hall A3, Morava Lounge  
Professional sponsor: The South Moravian Building Partnership at the Association of Building Entrepreneurs of the Czech Republic  
Organised by: The South Moravian Building Partnership at the Association of Building Entrepreneurs of the Czech Republic, Bauerova 10, 603 00 Brno  
Admission: by invitation

**SUPPORTING PROGRAMME  
THE TRADE FAIR TIMBER  
CONSTRUCTION BRNO 2013**

Sponsor: doc. Ing. Petr Kuklík, CSc.  
(The Czech Technical University)

10.00–10.30 a.m.

Multi-storey wood-based buildings,  
doc. Ing. Petr Kuklík, CSc.

(The University Centre for Energy Efficient Buildings at the Czech Technical University)

10.30–11.00 a.m.

Wood-concrete ceilings,

Doc. Ing. Petr Kuklík, CSc. (The University Centre for Energy Efficient Buildings at the Czech Technical University)

11.00–11.30 a.m.

The University Centre for Energy Efficient Buildings at the Czech Technical University, doc. Ing. Petr Kuklík, CSc.

(The University Centre for Energy Efficient Buildings at the Czech Technical University)

11.30 a.m.–12.00 noon

AIR House – a student project at the Czech Technical University in the prestigious competition SOLAR DECATHLON 2013, Ing. arch. Dalibor Hlaváček, Ph.D. (The Faculty of Architecture at the Czech Technical University), Ing. Pavel Nechanický (The University Centre for Energy Efficient Buildings at the Czech Technical University)

## Supporting programme

Odborný doprovodný program

---

12.00 noon–12.30 p.m.

Discussion

Sponsor: Ing. Karel Krontorád, CSc.  
(The Faculty of Forestry and Wood  
Technology at Mendel University in Brno)

2.00–2.30 p.m.

Modern wooden windows for wooden  
structures, Ing. Helena Křenková  
(The Faculty of Forestry and Wood  
Technology at Mendel University in Brno)

2.30–3.00 p.m.

The structural protection of wood incorpo-  
rated into buildings, Ing. Jaroslav Rychtář  
(The Faculty of Forestry and Wood  
Technology at Mendel University in Brno)

3.00–3.20 p.m.

The typology of solid-wood wooden  
structures and the demands placed  
on them, Ing. Vojtěch Veselý  
(The Faculty of Forestry and Wood  
Technology at Mendel University in Brno)

3.20–3.40 p.m.

Materials for wooden structures – insulati-  
on materials friendly to the environment  
and your pocket, Ing. Lenka Hrapková  
(The Faculty of Forestry and Wood  
Technology at Mendel University in Brno)

3.40–4.00 p.m.

Possible uses for heat-treated wood  
in wooden structural components,  
Ing. Marek Ajarów (The Faculty  
of Forestry and Wood Technology  
at Mendel University in Brno)

4.00–4.30 p.m.

Discussion

Venue: Hall P – the lecture stage  
of the Association of Suppliers  
of Prefabricated Houses

Admission: free

2.30–5.00 p.m.

**“Passive Family Houses”**

Venue: The Nový Tuzex building, the lecture  
hall on the ground floor, the showroom

of the Czech National Building Centre

Professional sponsor:

The Passive House Centre

Organised by:

The Czech National Building Centre

Admission: free

Experienced lecturers will be giving  
half-hour lectures explaining basic  
aspects such as what exactly are passive  
houses, what are their advantages over  
normal buildings, the use of renewable  
sources of energy, the use of natural  
materials, the economics of passive  
houses, etc.

## 25. 4. 2013, THURSDAY

8.00 a.m.–7.00 p.m.

**BRIDGES 2013 – 18th  
international symposium**

**Bridges – structures connecting nations  
and generations**

Venue: Hotel Voroněž

Professional sponsor:

Ing. František Menšík

Organised by: SEKURKON s.r.o.

Admission: for a fee

The event programme and detailed  
information are available at  
[www.sekurkon.cz](http://www.sekurkon.cz)

9.00–10.00 a.m.

**Entrepreneur zone in Šternberk**

Venue: Hall P – Lecture Stage Urbis

Organized by: The town of Šternberk

Admission: free

9.00–11.00 a.m.

**New developments in the drawing  
up of certificates of the energy  
demands of buildings**

Venue: Congress Centre, Lounge E

Professional sponsor: Ing. Rudolf Böhm

Organised by: The Institute of Sustainable Construction

Admission: for a fee

This seminar is to provide an overview of new developments in the drawing up of certificates of the energy demands of buildings – what is the implication of the amendment to Act 406/2000 Sb., what defines the new decree on energy demands, the differences from the former (existing) situation, and the main principles shaping certificates of the energy demands of buildings. It will provide some clarification of the principles relating to the incorporation of certificates of the energy demands of buildings into building projects, while an separate section is to be devoted to the principles involved in designing buildings with practically zero energy consumption.

9.30–10.00 a.m.

**EVORA CZ, s.r.o.**

Venue: the lecture stage of the Passive House Centre, Hall P

9.30 a.m.–4.00 p.m.

**Contact–Contract**

Business opportunities salon

Venue: Hall F

Professional sponsor:

Brno Regional Chamber of Commerce

Organised by: Brno Regional Chamber of Commerce

Admission: for a fee

9.30 a.m.–1.30 p.m.

**Cities and Transport – URBISAFETY**

Venue: Hall P, Lounge P4 – parts a, b

Professional sponsor:

Ing. Ivan Fencl, Ph.D.

Organised by: Innovation in Transport

Admission: free

10.00 a.m.–12.00 noon

**Evaluating the innovativeness of environmental technology in the Czech Republic**

Venue: Hall P – lecture stage URBIS

Professional sponsor: The Czech Environment Management Centre

Organised by: The Czech Environment Management Centre

Admission: free

10.00 a.m.–1.00 p.m.

**The XX National Congress of Mayors of the Czech Republic**

Venue: Hall A, Rotunda Lounge

Professional sponsor: The Union of Towns and Municipalities of the Czech Republic

Organised by: The Union of Towns and Municipalities of the Czech Republic

Admission: free

10.00 a.m.–1.00 p.m.

**Innovation and technology in regional development**

Venue: BVV Administration Building Lounge 103

Held by: The Association of Innovative Entrepreneurship, The Czech Association of Development Agencies

Organised by: The Association of Innovative Entrepreneurship, The Czech Association of Development Agencies

Admission: free

**PROGRAMME:**

10.00 a.m.

The opening of the seminar, Vladimír Gašpar, Chairman of the Czech Association of Development Agencies, Vice-president of the Association of Innovative Entrepreneurship of the Czech Republic

10.15 a.m.

The Moravian Science Centre Brno (MSCB), Lukáš Richter

## Supporting programme

Odborný doprovodný program

---

10.35 a.m.

Innovation vouchers in the Karlovy Vary Region, Zdeněk Nádvorník, The Business Development Agency

of the Karlovy Vary Region

11.00 a.m.

Examples of two regional innovation strategies in two selected regions, representatives of a selected region in Bohemia and a selected region in Moravia

11.40 a.m.

Science and technology parks and the use of brownfields, Pavel Švejda, Secretary General of the Association of Innovative Entrepreneurship of the Czech Republic

12.00 noon

Discussion, chaired by Pavel Švejda

12.30 p.m.

Seminar conclusions, refreshments

10.00 a.m.–1.00 p.m.

### **The general assembly of IGS.CZ**

Venue: Hall P, Lounge P5

Professional sponsor: Ing. Petr Hubík

Organised by: The International

Geosynthetics Society – Czech Republic

Admission: for members of IGS.CZ only

10.00 a.m.–2.00 p.m.

### **Doors and windows from Poland**

Venue: Hall P, Lounge P3

Professional sponsor: ELTAR

Organised by: ELTAR

Admission: free

10.00 a.m.–5.30 p.m.

### **Converting old houses into passive houses – an enormous opportunity!**

Venue: Hall P, the stand of the Passive House Centre

Professional sponsor:

The Passive House Centre

Organised by: The Passive House Centre

Admission: free

Renovations step by step. Why and how to renovate existing buildings properly. What the investor should want of the planner and architect, and what they should want of the investor. Traditional and untraditional renovations of family houses, prefabs, office buildings, schools, nurseries and hospitals.

1.00–2.00 p.m.

### **Passive prefabs! What are you waiting for?**

Venue: Hall P, the stand of the Passive House Centre

Professional sponsor:

The Passive House Centre

Organised by: The Passive House Centre

Admission: free

An interactive exhibition about how to take advantage of this chance during renovations – come and listen, check it out and experience it!

1.00–4.00 p.m.

### **The issue of illegal dumps and waste management**

Venue: Hall P – lecture stage P – URBIS

Professional sponsor: The Czech

Association of Waste Management

Organised by: The Czech Association

of Waste Management, The Ministry

of the Environment, EnviWeb

Admission: free

### **PROGRAMME:**

1.00–1.40 p.m.

What to do about illegal dumps,

RNDr. Miroslav Kubásek, Ph.D.,

Ing. Radek Janoušek, Enviweb

1.40–1.50 p.m. interval

1.50–2.20 p.m.

The risks associated with the current

concept of the Integrated Waste

Management Systems, Ing. Petr Havelka,

The Czech Association of Waste

Management

2.20–2.40 p.m.

Possible uses of fuels from waste as a way of increasing the proportion of waste exploited for energy, Ing. Petr Havelka, The Czech Association of Waste Management

2.40–3.00 p.m.

Cross-border transportation of waste for its exploitation for energy – an interpretation of the valid legislation, JUDr. Kristýna Oberfalcerová, the law office Řanda Havel Legal

3.00–3.10 p.m.

interval

3.10–3.30 p.m.

The current situation and development of the legislation relating to the use of waste according to the hierarchy of the law on waste, Mgr. Štěpán Jakl, The Ministry of the Environment of the Czech Republic

3.30–4.00 p.m.

Possible approaches to resolving the energy potential of waste produced in the Czech Republic and a comparison with the EU, Dr. Ing. Lubomír Chytka, The Ministry of the Environment of the Czech Republic

1.00–4.00 p.m.

**The impact of the amendment to the law on energy management on owners, administrators of real estate, and operators and owners of heat management facilities**

Venue: Hall A, Morava Lounge

Professional sponsor:

Mgr. Tomáš Úlehla, Member of the Czech Parliament, Deputy Chairman of the Committee for the Environment

Organised by:

The Guild of Heating Engineers and Plumbers of the Czech Republic

Admission: free

2.00–5.00 p.m.

**I want to build a house**

Venue: The Nový Tuzex building, the lecture hall on the ground floor, the showroom of the Czech National Building Centre

Professional sponsor:

The Passive House Centre

Organised by:

The Czech National Building Centre

Admission: free

Are you planning the construction of a house? Come and listen to our lectures about the selection of a suitable plot of land, designer and construction company, how to apply for planning permission, what to look out for, how to finance your own house, etc.

5.00–11.00 p.m.

**Designing to the new energy standards**

Venue: Hall E, Lounge E2, Lounge E3

Professional sponsor: Ing. Arch. Josef Smola

Organised by: Saint-Gobain Construction Products CZ a.s.

Admission: for a fee

## **SUPPORTING PROGRAMME THE TRADE FAIR TIMBER CONSTRUCTION BRNO 2013**

Sponsor:

Ing. Michal Šopík (VESPER FRAMES s.r.o.)

10.00–10.30 a.m.

The subject of fascination in the past, present and future.

Who or what is it? Wood,

Ing. Michal Šopík (VESPER FRAMES s.r.o.)

10.30–11.00 a.m.

How to fine-tune a load-bearing wooden construction. A clear message from the Giant Mountains, Ing. Zbyněk Šrůtek (KASPER CZ s.r.o.)

## Supporting programme

Odborný doprovodný program

---

11.00–11.30 a.m.

Robots at the service of wood builders  
– CNC finishing of upright and flat components, Ing. Jaroslav Jiruška  
(Dřevostavby Biskup, s.r.o.)

11.30 a.m.–12.00 noon

Wooden constructions for façades. How wood made its way into urban architecture, Radek Ondruch (TAROS NOVA s.r.o.)

12.00 noon–12.30 p.m.

Discussion

Sponsor: Ing. Stanislav Polák  
(The Wood for Life Foundation)

2.00–2.20 p.m.

DSR 2012 – introduction + The Ministry of Agriculture as gold partner

2.20–3.20 p.m.

DSR 2012 – presentation of silver partners (4 x 15 minutes)

3.20–3.40 p.m.

DSR 2012 – presentation of category winners

3.40–4.00 p.m.

DSR 2012 – presentation of category winners

4.00–4.30 p.m.

Discussion

Venue: Hall P – The Association of Suppliers of Prefabricated Houses

Admission: free

### 26. 4. 2013, FRIDAY

8.00 a.m.–1.30 p.m.

**BRIDGES 2013 – 18th international symposium**

Bridges – structures connecting nations and generations

Venue: Hotel Voroněž

Professional sponsor:

Ing. František Menšík

Organised by: SEKURKON s.r.o.

Admission: for a fee

The event programme and detailed information are available at [www.sekurkon.cz](http://www.sekurkon.cz)

10.00–10.30 a.m.

**3E Praha Marketing Engineering a.s.**

Venue: the lecture stage of the Passive House Centre, Hall P

10.00–11.00 a.m.

**“How to choose a children’s playground, pergola, summer house...”**

Venue: Hall P – URBIS lecture stage

Organised by: Dřevoartikl s.r.o.

Lecturer: Ing. Michal Plaček,

Ing. Josef Stehlík

Admission: free

11.00 a.m.–12.00 noon

**Take care to check the quality of wood fuels**

Venue: Hall P – URBIS lecture stage

Organised by: Dřevoprodukt s.r.o.

Lecturer: Ing. Vladimír Stupavský  
(The Czech Pellet Cluster)

Ing. Stanislav Václavek

(DŘEVO-PRODUKT SV, spol. s r.o.)

Marek Řebíček (CDP IVORY, s.r.o.)

Admission: free

1.00–5.00 p.m.

**How to insulate energy efficient houses**

Venue: Hall P, the stand of the Passive House Centre

Professional sponsor:

The Passive House Centre

Organised by: The Passive House Centre

Admission: free

Insulation is far from the only item on the agenda. A close look at the basic principles of passive houses

1.00–2.00 p.m.

**Passive prefabs! What are you waiting for?**

Venue: Hall P, the stand of the Passive House Centre

Professional sponsor:

The Passive House Centre

Organised by: The Passive House Centre

Admission: free

An interactive exhibition about how to take advantage of this chance during renovations – come and listen, check it out and experience it!

## **SUPPORTING PROGRAMME THE TRADE FAIR TIMBER CONSTRUCTION BRNO 2013**

Sponsor: Ing. arch. Marek Štěpán

(Atelier Štěpán s.r.o.)

10.00–10.30 a.m.

Freedomky (“Free Houses”),

Rustic ecology, Ing. arch. Marek Štěpán

(Atelier Štěpán s.r.o.)

10.30–11.00 a.m.

Modern wooden buildings, Ing. arch.

Marek Štěpán (Atelier Štěpán s.r.o.),

Ing. arch. Petr Dobrovolný

(PETR DOBROVOLNÝ – ARCHITEKT)

11.00–11.30 a.m.

Wooden buildings to a passive standard,

Ing. arch. Petr Dobrovolný

(PETR DOBROVOLNÝ – ARCHITEKT)

11.30 a.m.–12.00 noon

“User-friendly” wooden buildings.

An ordinary house, MgA. Albert Pražák

(LABOR13 s.r.o.)

12.00 noon–12.30 p.m.

Discussion

Sponsor: Ing. Blanka Stávková

ated into buildings, Ing. Jaroslav Rychtář  
(The Faculty of Forestry and Wood  
Technology at Mendel University in Brno)  
3.00–3.20 p.m.

The typology of solid-wood wooden  
structures and the demands placed  
on them, Ing. Vojtěch Veselý  
(The Faculty of Forestry and Wood  
Technology at Mendel University in Brno)  
3.20–3.40 p.m.

Materials for wooden structures  
– insulation materials friendly  
to the environment and your pocket,  
Ing. Lenka Hrapková  
(The Faculty of Forestry and Wood  
Technology at Mendel University in Brno)  
3.40–4.00 p.m.

Possible uses for heat-treated wood  
in wooden structural components,  
Ing. Marek Ajarów (The Faculty  
of Forestry and Wood Technology  
at Mendel University in Brno)

4.00–4.30 p.m.

Discussion

THURSDAY 25. 4. 2013

**Sponsor:** Ing. Michal Šopík  
(VESPER FRAMES s.r.o.)

10.00–10.30 a.m.

The subject of fascination in the past,  
present and future.

Who or what is it? Wood,

Ing. Michal Šopík

(VESPER FRAMES s.r.o.)
