and at the 3rd Trade Fair of Renewable Sources of Energy in Agriculture and Forestry BIOMASS

Brno–Exhibition Centre
3rd–7th April 2016

ARTICLES OF THE GRAND PRIX TECHAGRO, GRAND PRIX SILVA REGINA, GRAND PRIX ANIMAL VETEX AND GRAND PRIX BIOMASS COMPETITION

Article 1

1.1 On the occasion of the international fairs TECHAGRO, SILVA REGINA, ANIMAL VETEX and BIOMASS held between 3rd–7th April 2016, the best exhibit competitions – GRAND PRIX TECHAGRO 2016, GRAND PRIX SILVA REGINA 2016, GRAND PRIX ANIMAL VETEX 2016 and GRAND PRIX BIOMASS 2016 will take place. The competition is announced and organised by: **Veletrhy Brno, a.s.**, Vystaviště 405/1, 603 00 Brno incorporated by the Regional Court in Brno, section B, Inset 3137, ID. No: 25582518, VAT No: CZ25582518 Bank connection: ČSOB, a.s. SWIFT: CEKOCZPP IBAN: CZ85 0300 0000 0000 0340 1803, Acc. No: 3401803/0300

Article 2

2.1 The Competition is intended for exhibits on display at the aforesaid international fairs (except for animals) with parameters on par with the world class products or on the cutting edge in its field.
2.2 The Competition may also be entered by exhibits winning awards at other exhibitions or in other competitions; however, the GRAND PRIX TECHAGRO, GRAND PRIX SILVA REGINA, GRAND PRIX ANIMAL VETEX and GRAND PRIX BIOMASS awards may be received by the same exhibit only once.

Article 3

3.1 The exhibit is understood as a product or a service presented in an exhibition stand in a space rented by the fair organiser (exhibitor) or in an exhibition stand of the exhibitor (co-exhibitor, another represented company).
3.2 The exhibits may be entered into the competition by the exhibitor, co-exhibitor, manufacturer or an authorised legal or natural entity, such as an advertising agency, association, union etc. (hereinafter referred to as the "Entrant").
3.3 One Competition Entry Form may only be used for entering one exhibit while the number of the Entrant's registration forms is not limited save for sets of products that form a part of a single user package or a series or system forming a single user unit.

Article 4

4.1 The exhibits will be evaluated by an Evaluation Committee of experts in the respective fields. The Evaluation Committee is divided into three working sections each evaluating the exhibits presented at the relevant fair. The Evaluation Committee's work is managed by its chairperson. The GRAND PRIX award will be presented by the Managing Director of BV Trade Fairs Brno based on the recommendation given by the Evaluation Committee.
4.2 The exhibits will be evaluated in categories determined by the Evaluation Committee according to the nature of the entered exhibits as part of the classifications within the individual fairs. Each exhibit may only be evaluated in one category. The classification in the competition category is made by the Evaluation Committee.
4.3 The Evaluation Committee will evaluate the exhibits according to criteria listed under Art. 6.1 in two basic rounds of evaluation: 1st round - nomination (short-listed selection from the evaluated exhibits), 2nd round - evaluation (final selection from the nomination).
4.4 The exhibits will be evaluated before the fair based on data provided by the Entrants. The exhibit will be presented at the exhibition only in questionable cases, when detailed familiarising with the presented exhibit will be desirable in the interest of an explicit decision. The requirement for the exhibit installation at

the exhibition stand is extended to two days prior to the fair commencement, i.e., **1st April 2016 between 12 a.m. to 6 p.m. and on 2nd April between 9 a.m. to 6 p.m.**

4.5 During the evaluation, the Evaluation Committee has a right to request of the Entrants or, as the case may be, the Exhibitors, any additional information about the exhibit and make use of information from other sources for the evaluation. The Evaluation Committee itself determines the importance of the relevant available item of information. During the evaluation, the Evaluation Committee will pay more attention to the validated data.

Article 5

5.1 Basic terms and conditions for entering into the competition:

5.1.1 submission of a duly filled in competition entry form in writing and in electronic form as of the deadline date, i.e. **by 20th March 2016** – after this date, the Entrant is not entitled to enter the competition.

5.1.2 submission of supporting data for the evaluation:

5.1.2.1 compulsory supporting data:

- general characteristics, description and picture of the exhibit,
- basic technical parameters, functional properties, basic operating instructions,
- presentation of the exhibit in terms of its use and practical application,
- analysis and assessment of the performance of evaluation criteria listed under Art. 6.1.1 - 6.1.7,
- 5.1.2.2 supporting documents- data and documents encouraging arguments made in the compulsory documents (e.g. official documents, approvals, permits, testing protocols from internal and independent test rooms, certificates, declarations of conformity, contracts, designs, drawings, calculations etc.)
- promotional and information material concerning the exhibit,
- description and picture of the exhibit in operation (video record, CD or any other media),
- specialist articles and publications,
- user references,
- information about any potential prizes awarded to the exhibit,
- sample, mock-up, model, functional panel, poster, etc.,
- further information at the Entrant's discretion,

5.1.3 Payment of the registration fee to the account held by the organiser (the filled in entry form serves as a proforma invoice) totalling:

- for one entry CZK 4,000 + VAT
- for two or more entries CZK 3,000 + VAT for each entry

Once the registration fee is paid based on a duly filled in entry form, all Entrants will receive an invoice in the relevant accounting period.

5.2 For the purpose of promoting and presenting the evaluated exhibits (posting on the Internet, press releases etc.), the promoter requires the following:

- short annotation (in Czech and English) in a max. scope of 5 sentences characterising the competition exhibit
- colour photograph of the exhibit, or the address of the presentation website of the company

5.3 The duly filled in entry form, supporting data for the evaluation, registration fee payment receipt, annotation and photograph of the exhibit shall be delivered **by the deadline date, i.e. 20th March 2016** to the promoter's address:

Veletrhy Brno a.s., attention of Blanka Zlatá, Vystaviště 405/1, 603 00 Brno, tel.: +420 541 153 372, +420 721 656 227 e-mail: bzлата@bv.cz

Required documents:

- filled in entry form: incl. one copy
- compulsory supporting data (see Art. 5.1.2.1): in two copies in Czech and English language,
- supporting data (see Art. 5.1.2.2): in two copies in Czech and English language,
- annotation (see Art. 5.2): in two copies in Czech and English language,

The promoter is not obliged to return supporting data not required in advance to the Entrant.

5.4 The entry form, text and visual information shall be sent in electronic form (by email or on a CD - as separate documents marked as: entry form, compulsory data, supporting data, annotation, photo, in doc., rtf., txt. formats for text information, in pdf., jpg. form for visual information and photographs of the exhibit in jpg. format only), and by post.

5.5 The entry form, articles of the competition and other information about the competition are available at: www.bv.cz/techagro, www.bv.cz/silva-regina, www.bv.cz/animal-vetex, www.bv.cz/biomasa and www.bv.cz.

5.6 Once the exhibit meets the basic conditions for being entered into the competition, it will be put on the official list of evaluated exhibits which will be continuously posted on the Internet including annotations and along with other current information.

Article 6

6.1 Basic evaluation criteria:

- 6.1.1 novelty of the product, innovation, originality of the conceptual, structural and functional design with a documented effect,
- 6.1.2 technical and technological standard,
- 6.1.3 user comfort (provision of guarantee and post-guarantee service, safety of operation, occupational hygiene, technical compatibility and application in the lines and systems in the CR, operation efficiency etc.),
- 6.1.4 readiness of the exhibit for deliveries onto the Czech market (in terms of production, sales and compliance with legislative requirements),
- 6.1.5 manufacture of the whole and the details, design,
- 6.1.6 ecological aspects,
- 6.1.7 overall presentation of the exhibit.

Article 7

7.1 The entered exhibit will not be evaluated if:

- 7.1.1 The Entrant fails to meet the basic conditions for being included in the Competition (Art. 6.1),
- 7.1.2 The Entrant or as, the case may be, the exhibitor, fails to provide qualified information about the exhibit at the request of the Evaluation Committee or the Promoter
- 7.1.3 The Entrant cancels its participation at the fair,
- 7.1.4 The Entrant removes the exhibit from the competition,
- 7.1.5 The exhibit will not be on display at the fair,

7.2 If not evaluated for reasons specified under Art. 7.1, the Entrant is not entitled to the registration fee refund.

Article 8

8.1 The evaluated exhibits, the results of the competition (nomination and evaluation) and the list of the Evaluation Committee's members will be continuously made public via press releases and on the website of the fair promoter and organiser.

8.2 The official announcement of the competition results will take place at the gala opening of the TECHAGRO, SILVA REGINA, ANIMAL VETEX and BIOMASS fairs.

8.3 The winning exhibit will receive a sculpture (symbol of the competition) and a diploma that can be used to further promote the exhibit. For these purposes, the award-winning company is also entitled to use the competition logo type.

8.4 The evaluation process is not public and no appeal can be made against the final decision.

The competition promoter and the fair organiser are not obliged to justify the decisions of the committee.

8.5 The promoter guarantees that the award-winning exhibits will be presented through media partners. At the same time, he undertakes to provide information about the competition and its results to other media.

Article 9

9.1 The Promoter reserves the right to respond to technical and organisational circumstances that may result in changes in the time-limits or the course of the Competition. All Entrants are guaranteed timely information.

The main nomenclature items of the TECHAGRO, SILVA REGINA, ANIMAL VETEX, BIOMASS fairs

TECHAGRO

International Fair of Agricultural Technology

Product categories

1. Tractors
2. Small agricultural machines
3. Machines for land/soil cultivation and treatment
4. Seeding machines
5. Planting machines
6. Machines for fertilization
7. Machines and equipment for plant protection
8. Irrigation systems
9. Forage harvesters
10. Machines and equipment for cereals, oil plants and legumes harvesting
11. Root-crops harvesters
12. Machines and equipment for special crops growing and harvesting
13. Fruit and vegetable growing machines and equipment
14. Transport and handling machines
15. Machines and equipment for postharvest processing, conservation and storing
16. Green-fodder processing machines and equipment
17. Machines and equipment for farm animals breeding
18. Machines and equipment for waste processing (not for power production) in agriculture
19. Agricultural constructions
20. Components and aggregates of machines and tractors
21. Measurement, diagnostic, laboratory and automation equipment
22. Seed and planting stock
23. Agents for agrochemistry
24. Services and education for agriculture
25. Cultivating mechanization

SILVA REGINA

International Forestry and Hunting Fair

Product categories

37. Machines, equipment and aids for forest seed management
38. Seed and seedling materials for forestry and city verdure
39. Machines and equipment for the disposal of exploitation remnants
40. Machines and equipment for forest nurseries
41. Machines and tools for forest regeneration
42. Machines and tools for the treatment and protection of young plantations and stands
43. Machines and tools for tending young forest stands
44. Machines and equipment for Christmas tree growing and sale
45. Machines and tools for logging operations
46. Machines for skidding operations

47. Machines for timber hauling
48. Machines and equipment for operational maintenance of forestry machines
49. Machines and equipment for timber yards
50. Machines and equipment for minor forestry production
51. Chemicals for forestry
52. Fuels and lubricants for machines in forestry
53. Mobile machines and accessories in forestry
54. Machines for forest engineering
55. Measuring, detection, control and communication devices in forestry
56. Means for occupational safety in forestry
57. Game management services and aids
58. Research, education, services and literature in forestry

ANIMAL VETEX

International Veterinary Fair

Product categories

26. Diagnostics and drugs
27. Veterinary apparatus and equipment
28. Veterinary laboratory equipment
29. Animals
30. Feeds and dietetics
31. Instruments and devices for animal hygiene and sanitation
32. Machines and equipment for transport and handling
33. Working and operation equipment
34. Informatics, literature in the field of veterinary medicine
35. Operation and services
36. Institutes and organisations in veterinary medicine

BIOMASS

Trade Fair for Renewable Sources of Energy in Agriculture and Forestry

Product categories

59. Sources of biomass for energy utilization
60. Machines and devices for production and basic processing of agricultural and forestry biomass
61. Dry thermochemical conversions – combustion
62. Anaerobic biogas-operated transformations of energy
63. Aerobic transformations of residual biomass
64. Engine biofuels
65. Science and research
66. Institutions, associations, organizations
67. Consultancy in the field of energy utilization of biomass
68. Insurance, financial and bank services in the field of energy utilization of biomass
69. Literature and publishing

COMPETITION ENTRY FORM

GRAND PRIX TECHAGRO, GRAND PRIX SILVA REGINA, GRAND PRIX ANIMAL VETEX and GRAND PRIX BIOMASS
