

EXPERT SUPPORTING PROGRAMME**31. 5. 2017, Wednesday****CYBER PAVILION**

Pavilion full of demonstrations, simulations and expert lectures

Venue: Hall P, stand No. 063/A

11.40 a.m.

Activities in Cyber Security

11.40 a.m., 1.45, 2.45, 4.45 p.m.

Technical aspects of on-line manipulation from the view of National Cyber Security

11.40 a.m., 2.00, 5.00 p.m.

Cyber Security of the Ministry of the Interior

12.00 noon

Life demo of tools for security net analysis

12.00 noon, 1.00 p.m.

Cyber defence training in CyberGym Europe Arena

12.15, 4.30 p.m.

Study, or they win!

12.30 p.m.

Attack on public Wi-Fi

1.30 p.m.

Analysis of a security incident demo

1.30 p.m.

Thread Protection through Network Visibility

2.00 p.m.

IoT or close cyber encounters of the third kind

2.15 p.m.

ECIs ElastiGrid Solution For DEFENCE FORCES

3.00 p.m.

Live Hacking Show

EXPERT SUPPORTING PROGRAMME

1. 6. 2017, Thursday

CYBER PAVILION

Pavilion full of demonstrations, simulations and expert lectures

Venue: Hall P, stand No. 063/A
