INTERNATIONAL SHOW FOR ANIMAL PRODUCTION NATIONAL SHOW OF LIVESTOCK

1. Cattle

- 1.1 Holstein Cattle
 - 1.1.1 Heifers
 - 1.1.2 Cows on first lactation
 - 1.1.3 Cows on second and higher lactation
 - 1.1.4 Calves
- 1.2 Czech Spotted Cattle
 - 1.2.1 Heifers
 - 1.2.2 Cows on first lactation
 - 1.2.3 Cows on second and higher lactation
 - 1.2.4 Calves
 - 1.2.5 Czech spotted cattle – 'meat animals' section
- 1.3 Beef Cattle
 - 1.3.1 Aberdeen Argus
 - 1.3.2 Belgian Blue-White
 - 1.3.3 Galloway
 - 1.3.4 Hereford
 - 1.3.5 Highland – Scottish highland cattle
 - 1.3.6 Charolais
 - 1.3.7 Limousine
 - 1.3.8 Simmental cattle
 - 1.3.9 Piemontese
 - 1.3.10 Blonde d'Aquitaine
 - 1.3.11 Gasconne
 - 1.3.12 Salers
 - 1.3.99 Other beef cattle
- 1.4 Less numerous breeds

2. Pigs

- 2.1 Stock boars
- 2.2 Stock sows
- 2.3 Young stock sows

3. Sheep and Goats

- 3.1 Stock rams
- 3.2 Stock ewes
- 3.3 Stock lambs
- 3.4 Goats

4. Horses

- 4.1 Archaic breeds
- 4.2 Ponies
- 4.3 Cold-blooded horses
- 4.4 Warm-blooded horses
- 4.5 Half-breed
- 4.99 Others

5. Small Domestic Animals

- 5.1 Poultry
- 5.2 Rabbits
- 5.99 Other small domestic animals

6. Ostriches

7. Bees

- 7.1 Beekeeping equipment
- 7.2 Beekeeping products

8. Other Livestock and Game

9. Machines and Equipment for Feed Preparation

- 9.1 Machines and equipment for root-crops processing
- 9.2 Machines and equipment for stalky materials processing
- 9.3 Machines and equipment for grain processing
- 9.4 Machines and equipment for feed dosing, mixing and granulation
- 9.5 Machines and accessories for preparation of ensilage processing
- 9.99 Other machines for feed preparation

10. Machines and Equipment for Livestock Breeding

- 10.1 Machines and equipment for preparation and work with bedding
- 10.2 Machines and equipment for feed dosing and cattle feeding
- 10.3 Machines and equipment for feed dosing and pigs feeding
- 10.4 Feeding pumps
- 10.5 Machines and equipment for poultry breeding
- 10.6 Machines and equipment for fish breeding
- 10.7 Machines and equipment for other livestock breeding
- 10.8 Machines and equipment for manure/ liquid excrements removal and processing
- 10.9 Machines and equipment for milking and milk cooling
- 10.10 Ventilation, heating and air-conditioning of stables
- 10.11 Machines and equipment for animal products basic processing
- 10.12 Special constructional features for building stables and other agricultural structures
- 10.13 Equipment for farmers (ear locks, catching technology, electric fencing)
- 10.99 Other machines and equipment for livestock breeding

11. Gear for Horse keepers and Horsemen

- 11.1 Feed and mineral supplements for horses
- 11.2 Veterinary preparations for horses
- 11.3 Equipment for horse tending, farriery
- 11.4 Equipment for riding sport and western
- 11.5 Construction of stables, fences and arenas and their equipment
- 11.6 Vehicles and accessories for horse transport
- 11.7 Clothes and accessories for sports and avocational riding
- 11.8 Hippology breeding and sports organizations
- 11.9 Training centres, agro-tourism, education and services
- 11.99 Other gear for horse keepers and horsemen

12. Feed, Dietetics

- 12.1 Fodders and feed mixtures
- 12.2 Grain feeds and feed mixtures
- 12.3 Animal feeds and feed mixtures
- 12.4 Complete feeds
- 12.5 Mineral, vitamin and energy supplements
- 12.6 Medicinal and dietetic feeds and feed mixtures
- 12.99 Feeds and dietetics other

13. Genetics, Veterinary equipment and Medicine

- 13.1 Insemination and reproduction equipment
- 13.2 Services for insemination and embryo transfer
- 13.3 Veterinary apparatus and equipment

- 13.4 Veterinary laboratory equipment
- 13.5 Drugs
- 13.6 Biologicals
- 13.7 Diagnostics and drugs other
- 13.99 Other

14 Instruments and devices for animal hygiene and sanitation

- 14.1 Disinfection, disinfestation, rodent control
- 14.2 Biological pest agents
- 14.3 Instruments and devices for microclimatological measurement
- 14.4 Apparatus and devices for biotechnological checks
- 14.5 Devices and requisites for environmental improvement
- 14.6 Waste disposal and processing
- 14.99 Instruments and devices for animal hygiene and sanitation other

15 Tractors

- 15.1 Wheel tractors
- 15.2 Belt tractors
- 15.3 Special tractors

16 Small Agricultural Mechanisation

- 16.1 Small uniaxial tractors
- 16.2 Small biaxial tractors
- 16.3 Tools for small tractors
- 16.4 Hand-held and carried engine-driven tools

17 Transport and Handling Machinery

- 17.1 Loaders
- 17.2 Containers
- 17.3 Trailers and semitrailers
- 17.4 Special purpose agricultural extensions for cars
- 17.5 Conveyors
- 17.6 Reservoirs, silos and tanks
- 17.99 Other transport and handling machinery

18 Agricultural Buildings

- 18.1 The design of agricultural buildings
- 18.2 Assembled constructions
- 18.3 Light shed structures
- 18.4 Building-technical components
- 18.5 The reconstruction, modernisation and insulation of agricultural buildings
- 18.99 Other agricultural buildings

19 Transportation and handling equipment

- 19.1 Mobile transportation equipment
- 19.2 Special off-road vehicles
- 19.3 Vehicle bodies for animal transportation
- 19.4 Special mobile and handling equipment
- 19.5 Transportation containers
- 19.99 Transportation and handling equipment other

20 Processing of Remanent Biomass from Animal Breeding

- 20.1 Machines and equipment for solid biofuel production
- 20.2 Machines and equipment for heat production
- 20.3 Machines and equipment for biogas production
- 20.4 Machines and equipment for energy transformation of biogas
- 20.5 Frame constructions of biogas stations
- 20.6 Biogas cogeneration units
- 20.7 Machines and equipment for compost production
- 20.8 Machines, equipment and services for substance transformations
- 20.9 Other machines, equipment and services for transformations of energy
- 20.10 Counselling for energy utilization of biomass
- 20.11 Financing, subsidies for the utilization of biomass
- 20.99 Other processing of remanent biomass from animal breeding

21 Services

- 21.1 Professional organisation in breeding and veterinary medicine
- 21.2 Education in veterinary medicine
- 21.3 Research institutes and departments in veterinary medicine
- 21.4 Federations, associations, the state administration
- 21.5 Informatics and counselling
- 21.6 Professional literature
- 21.7 Financing, insurance
- 21.99 Other services
