“India Investment Meet”

New Business and Collaboration Opportunities in India

8th October 2019, 1400 – 1600 hrs

Conference Room 102, Office Building BVV, Brno Exhibition Centre

The Department of Heavy Industry (DHI), Government of India, the Embassy of India, Prague and Engineering Export Promotion Council of India (EEPC) have the pleasure of inviting you to the India Investment Meet to be held on 8 October at MSV Brno 2019.

The Indian engineering sector has witnessed remarkable growth over the last few years, driven by increased investments in infrastructure and industrial production. India has made significant strides in the development of its engineering sector. The sector attracts immense interest from foreign engineering companies. India enjoys a comparative advantage in terms of manufacturing costs, technology and innovation.

Objective of the Meet

Increasing
Bilateral Trade
in Engineering

Highlight
Potential and
Emerging
Opportunities in
India for European
engineering
industry

Address
Technology
gaps in
engineering and
allied sectors

Attract
partnerships
in areas like
technology,
innovation, R&D
and skilling

Discuss
challenges/
issues, if any,
faced by
investors while
doing business
in India
