Hygiene and safety rules for show admission

Trade fairs can be held only in accordance with the measures of the Ministry of Health of the Czech Republic, provided that upon entry all attendees present a proof of immunity / infectivity such as:

- National vaccination certificate or EU Covid pass (EU citizens) proving that vaccination has been completed at least 14 days prior to the event,
- Laboratory confirmation on having recovered from Covid-19 disease in the period not longer than 180 days
- Negative RT-PCR test not older than 7 days or
- Negative POC (antigenic) test not exceeding 72 hours

The rules for proving immunity / infectivity apply to all persons accessing the exhibition area during assembly, duration and dismantle period of the fair. Foreign exhibitors are advised to consult the organizing team of the respective show.

Currently further safety rules for events are to be considered. Distance of at least 1.5 meter from other persons should be kept. Indoors, it is mandatory to have the mouth and nose covered with respirator or other protective device with a filtration efficiency of at least 94% (class FFP2 / KN 95) or a surgical drape.

The current Covid rules and special regulations to be observed by visiting persons from abroad can be found on the website of the Ministry of Health of the Czech Republic (<https://covid.gov.cz/en>).

Thank you for your cooperation and keeping up to the rules in place, which are taken to ensure a safe environment at the show.
