Dear exhibitors,

we would first like to draw your attention to the most important rules relating to the preparation of the trade fair (the assembly period), the course of the event, and the stand dismantling period. To provide for smooth and mutually pleasing progress of all three of these stages, we would kindly ask you to make sure you are thoroughly acquainted with the General Conditions for Participation, which are given in the Binding Application, and which, with your signature, you have obliged to respect.

GENERAL RULES

- **Entry of vehicles to the premises of the Exhibition Centre** – We recommend to all the exhibitors to enter the grounds through Gates 8 and 9. Gate 4 – cars only, there is a special lane for vehicles with granted free entry; Gate 4 will be open from 20. till 24. 10. 2021 according to operating hours; Gates 8 and 9 – cars and lorries, all vehicles requiring customs clearance or handling services must enter the grounds through Gate 9. Drivers are obliged to respect the instructions given by the security guards.
- **All vehicles must observe the traffic signs on the grounds,** and leave the grounds of the Exhibition Centre each day by the end of opening hours at the latest. Any breach of this regulation will be penalized by a fine in the amount of 5,000 CZK. Drivers are obliged to observe the instructions of the parking attendants or park their cars at the provided parking areas. The entry of vehicles into exhibition halls is prohibited. The entry of lorries and vans to the BVV Trade Fairs Brno grounds during the course of the trade fair is not permitted. On exiting the Exhibition Centre, a copy of the list of registered items, confirmed by the duty guard on entry to the grounds, must be submitted at the gate. Upon the request of the duty guard at the gate the driver is, in the interests of protecting the property of Trade Fairs and other exhibitors, obliged to allow the contents of the boot of his vehicle to be inspected. The same applies to exhibits and other materials taken out through the gates. In case the security service at the departure detects any material to be the property of the Trade Fairs that has not been included in the list of registered objects before and confirmed as such by the security service on the arrival at the exhibitions centre, the material will be seized.
- **Two passes for the assembly and dismantling periods** are issued free of charge. Any extra passes have to be paid for (details are stated in the ASSEMBLY section – B) Entrance to BVV grounds). **The holder of the assembly pass is obliged to carry it visibly displayed during his entire stay within BVV Trade Fairs Brno premises.**
- **Please take attention – the exhibitors entry pass does not serve as a travel permit for urban mass transportation.**
- **Escape routes must be kept clear.** For safety reasons assembled and dismantled material, packaging and exhibits may not block aisles between exhibition stands. Assembly work only is permitted in the exhibition halls. The production of items for assembly, surface painting, creating dust or otherwise disturbing other exhibitors is prohibited in exhibition halls, and is subject to penalty.
- **Waste disposal.** To dispose of waste produced during assembly and dismantling of exhibition stands please use the coloured bins separated waste placed by the exhibition halls. More information can be obtained from the gates of the exhibition halls. In case of producing a large amount of separated waste (glass, cardboard, plastics, wood) the caretaker of the exhibition hall can arrange for you to dispose of in a skip container ordered at your request.
- **Disposing of metal chips, oils, and lubricants.** To dispose of metal chips and similar kinds of waste please use the special collection container placed by the exhibition halls. More information can be obtained from the gates of the exhibition halls.
- **All assembly and installation works must end** on 20. 10. 2021 (Wednesday) 8.00 pm at the latest. From this time the electricity including lighting in exhibition halls will be switched off automatically.
- **Receptions, cocktail parties, and company presentations** may only be held at exhibition stands during the course of the event, during the ordinary opening hours of the exhibition hall, i.e. to 7.00 pm **or until 11.00 pm, on only upon permission of trade fair administration.**
- **Acoustic advertisements and musical productions are permitted only at own exhibition stand and if they do not disturb neighbouring stands. The noise shall not exceed 70 dB at the edge of the stand. If this condition is not observed, BVV Trade Fairs Brno may order the production to be terminated, e.g. by issuing a written request, and if this is not observed, the electricity for the particular stand may be switched off. In such case the exhibitor renting the exhibition area is not entitled to demand the compensation of any damages whatsoever caused by this intervention. Apart from the approval of BVV, the exhibitor is obliged to ask for the approval of respective collective administrator of the copyright (OSA, INTERGRAM) as stated in Act No.121/2000 Coll., the Copyright Act, as amended.**
- **Installation of own advertisements within the fairgrounds (outside exhibition area or stand) is not allowed.** The mass distribution of printed advertising materials, or their scattering over the fairgrounds from hired aeroplanes or balloons, is not permitted without a previous approval of the trade fair administration, increased costs connected with cleaning of areas will be charged out to the exhibitor responsible. As well as flights with advertising banners are not permitted. Sending of promotional materials within fairgrounds via Bluetooth technology or BTS cell transmitters is not possible without previous consent of BVV Trade Fairs Brno. You are authorised to promote your products and services at your own exhibition stand only. Any increased cleaning costs will be invoiced to the exhibitor in question. Use of advertising means such as bicycles, skateboards, roller skates, scooters, two-wheel self-balancing vehicles and other vehicles is not allowed within the fairgrounds without previous consent of BVV Trade Fairs Brno.
- **We recommend that you hand in the keys from any areas you lock to the relevant exhibition hall gatehouse every day.** If you fail to do so, and the outbreak of fire or a malfunction of equipment installed in the locked area is suspected, then you will be charged any damages arising from forced entry to this area.
- **The cleaning of stands** outside opening hours may be performed only by contractual cleaning companies of the BVV Trade Fairs Brno.
- **We recommend that you insure your exhibits** (including packaging) against any possible damage or loss, or recommend individual stand security (see Services). The trade fair administration cannot be held liable for any such damages.

We would like to wish you a pleasant stay.

EVENT ASSEMBLY PERIOD

October 18–20, 2021

A) OPENING HOURS

Hall V, F

18.–20. 10 2021 7.30 am – 8.00 pm

Electricity for installation and assembly will be provided during this period. Technical services (electricity, water, compressed gas, elevators and phones), will be provided after 6.00 pm only if ordered two hours in advance!

Between October 18–20 all the ordered and paid technical services are provided during full hours of the assembly period.

Caravanning Brno, delivery of exhibits: October 18–20 from 8.00 am to 6.00 pm – only for Caravanning Brno – Halls V, F (entry through Gate 9).

In exceptional cases the BVV Trade Fairs Exhibition Hall technician – (see CONTACTS) may permit an extended assembly period, for a fee agreed in advance. This also applies to assembly before the given dates, which must be ordered at least 1 week before the stipulated date for the beginning of event assembly, i.e. October 10, 2021 from the Project Manager, [Simona Křečková](#) – Caravanning Brno, Phone: +420 541 152 585, e-mail: skreckova@bvvcz.

Assembly work must be completed by 8.00 pm on October 20, 2021 at the latest. At this time the electricity, including the lighting in exhibition halls, will be switched off!

B) ENTRY TO THE EXHIBITION CENTRE

An Assembly and Dismantling Pass or an Entry Pass for the event serves for entry to the grounds during the assembly period. Exhibitors will generally receive these passes by post a week before the assembly period begins, or can collect them in person from the ground floor of the Trade Fairs administration building. **Two assembly and dismantling passes are provided free of charge. If more passes are requested, these have to be paid for. The price for an extra assembly and dismantling pass is CZK 150 including VAT.** Pass holders must wear these visibly, entry without pass will not be allowed to BVV premises. Exhibitor passes and assembly/dismantling passes (free or paid) will be given to the exhibitor only if he has paid all his financial obligations towards BVV Trade Fairs Brno. The price of one Entry pass is CZK 200 including VAT.

C) VEHICLE ENTRY TO THE EXHIBITION CENTRE

General rules for entering the premises with vehicles: All vehicles must observe traffic signs within the premises and leave fairgrounds by the end of the opening hours at the latest. The breaching of these rules is penalised with a fee of CZK 5,000. Parking of vehicles within the premises at night is not allowed. Entry with own handling vehicles is forbidden. Maximum speed limit within the premises is 30 km per hour.

During assembly period the premises may be entered upon the presentation of Assembly and Dismantling Pass or Entry Pass (purchased upon the Order Form) through gates 4, 8, and 9. Gate 4 serves only for the entry of cars. (We recommend using gates 8 and 9).

CARS

October 18–20, 2021

Gates 4, 8 and 9 are available during the defined opening hours upon the presentation of the Assembly and dismantling pass or the Entry Pass for a particular event.

Gate 4 will be open from 20. 10. 2021.

The Vehicle Entry Pass entitles its holder to a free entry and departure via gates 4, 8, and 9 between October 18–26, during the officially specified opening hours.

UTILITY VEHICLES + TRUCKS

D) PARKING

Overnight parking of vehicles within premises is not allowed. Entry of vehicles to exhibition halls is prohibited.

E) STAND CONSTRUCTION

(ends on October 20, 2021 at 8.00 pm)
The official partner for exhibition stand construction is BVV Trade Fairs Brno, Stand Construction and Services

Robert Grof, phone: +420 541 152 874,
e-mail: rgrof@bvvcz, www.bvvcz/expozice

Stand Construction and Services of BVV Trade Fairs Brno offer full trade fair and exhibition services, including:

- free processing of project offers including price calculations
- creative rendering of the project spatial and visual design including graphic and electronic visualisations
- complex delivery of the project
- exhibition stands from standardised systems OCTANORM, MAXIMA, DOPPELFORM, MONTI as well as non-standard exhibition stands.

Stand Construction and Services of BVV Trade Fairs Brno also offer full range of services and stand construction anywhere in the Czech Republic and abroad.

Contact: [Robert Grof](mailto:rgrof@bvv.cz), phone: +420 541 152 874,
e-mail: rgrof@bvv.cz, www.bvv.cz/expozice

If exhibition stands are not delivered by Stand Construction and Services of Trade Fairs Brno the following is necessary:

- presentation of the stand technical project within the defined deadline (see SCHEDULE), in case of suspension works also including stress-analysis calculations for approval by BVV Trade Fairs Brno, department of fire protection and safety at work, in two copies ([Věra Staneva](mailto:vstaneva@bvv.cz), phone: +420 541 152 607, fax: +420 541 153 081, e-mail: vstaneva@bvv.cz)
- take over the exhibition area from the Hall technician (see CONTACTS) and to hand it over after the end of the dismantling period, in original condition. The take-over of exhibition area requires the presentation of the following documents:
 - approved exhibition stand project
 - form Confirmation (X030, part of Order attorney exhibition area rental fee to present upon request)
 - the exhibition area will not be handed over unless the invoice for exhibition area rental is paid in full
 - receipt confirming the payment of services ordered from BVV Trade Fairs Brno – if these services are not paid before the beginning of the event they shall not be provided
- meeting of all the provisions and General rules for participation as well as Technical and Safety Regulations (see Order Form).

In case of breaching the General rules for participation as well as Technical and Safety Regulations including fire- protection measures the water and electricity connections at stand will not be made operable or the entry to the exhibition stand will be blocked by a partition screen.

Multi-storey exhibition stands must be also special fire-protection regulations. This is why these exhibition stands, in their project or study phase, must be presented for approval to the fire-protection specialist at BVV Trade Fairs Brno, Department of fire protection and safety at work ([Věra Staneva](mailto:vstaneva@bvv.cz), Phone: +420 541 152 607, e-mail: vstaneva@bvv.cz).

During the physical inspection of exhibition stands the exhibitors are obliged to enable the members of the inspection committee to enter their exhibition stands.

F) TRANSPORT, CUSTOMS, AND HANDLING SERVICES WITHIN THE FAIRGROUNDS

The companies **IMMIX spol. s r.o.** and **Kühne + Nagel spol. s r.o.** have been appointed as Trade Fairs' contractual forwarding agents for this trade fair event. Exhibitors should contact these companies directly (not through Trade Fairs). You can find the necessary contact information in the section SERVICES/C in these instructions.

These companies provide forwarding services for exhibitors, i.e. unloading and loading of exhibition materials, transportation to stands, the removal, storage and return of empty packaging, assembly and dismantling work, and customs clearance of the exhibition shipments. **The closing date for bringing-in of all exhibits is October 20, 2021. It is forbidden using their own mechanical equipment for dismantling work!**

Behind the Z Hall within the premises **a loading/unloading ramp with load-bearing capacity of 15 tons** will be available to handle exhibits. The ramp is situated on the outdoor area Z – behind the Z hall.

Hand manipulation carts are available for transporting your stationery, promotion materials and smallwares. The carts are to let on paying a deposit of 1000 CZK incl. VAT for the maximum time of 2 hours. The carts are available on dedicated and marked stations in the individual halls. The manipulation carts are lent one day before the fair start, the first day of the fair till 11.00 am and the last day of the fair the carts can be lent only after the official event end.

The removal and storage of empty packaging and its subsequent return should be ordered from one of the forwarding companies given above. Empty packaging, marked in accordance with forwarding company instructions, will be stored in the packaging storage hall. Its return will commence one hour after the official closing of the event. The storage of assembly tools, exhibition elements and parts of exhibits in the storage hall can be ordered through the forwarding companies. Unmarked packaging and unwanted used material will be taken to a dump for disposal after 8.00 pm. Unmarked exhibits left outside the rented exhibition area will be taken to the storage hall, and sold or disposed of after a period of 15 days has elapsed. Any costs incurred will be charged to the exhibitor. The storage of packaging and installation material behind exhibition stands is prohibited.

Companies with exhibition area allocated in the E-I Hall are kindly asked, for the purposes of further handling, to send all shipments in the maximum weight of 1,500 kg per one colli.

All shipments must be labelled with the name of the exhibiting company, its location within the grounds, and the name of the event to which they are being sent.

The recipient of such consignments is not BVV Trade Fairs Brno. Trade Fairs will not be held responsible for any consequences resulting from the incorrect addressing of consignments or any violation of regulations relating to the import of goods.

Transportation and handling services must be ordered in advance.

C) VEHICLE ENTRY TO THE EXHIBITION CENTRE

An Assembly and Dismantling Pass or a valid Vehicle Entry Pass serves for the entry to the grounds, via gates 4, 8, and 9. Gate 4 serves for the entry of cars only. Drivers are obliged to follow the instruction of the security guards or leave their vehicles at the designated car park.

The last day of the fair (October 24) in the evening can all cars and vehicles go into the area of exhibition centre after 4.00 pm with departure at the latest at 12.00 pm. Vans, trucks and lorries can drive in after 5.00 pm with departure at the latest at 12.00 pm. The drivers are obligated to respect the instructions of security service, eventually stand off the vehicle on the parking place.

On other days of the dismantling period vehicles may enter the exhibition centre from 7.30 am till 8.00 pm.

On exiting the Exhibition Centre, a copy of the list of registered items, confirmed by the duty guard on entry to the grounds, must be submitted at the gate. Upon the request of the duty guard at the gate the driver is, in the interests of protecting the property of Trade Fairs and other exhibitors, obliged to allow the contents of the boot of his vehicle to be inspected. The same applies to exhibits and other materials taken out through the gates. In case the security service at the departure detects any material to be the property of the Trade Fairs that has not been included in the list of registered objects before and confirmed as such by the security service on the arrival at the exhibitions centre, the material will be seized.

D) PARKING

Overnight parking within the premises is not allowed. Entry of vehicles to exhibition halls is forbidden.

E) DISMANTLING AND CLEARANCE OF EXHIBITION STANDS AND EXHIBITS

(ends on October 24, 2021 at 8.00 pm)
On the last day of the dismantling period the exhibitors and their contractor companies are obliged to:

- complete the dismantling and taking away of exhibits (costs incurred by Trade BVV Fairs Brno in relation to the storage and handling of exhibits that were not removed in time will be invoiced to the exhibitor);
- complete the dismantling and taking away of exhibition equipment, by the time designated to finish all works at the latest;
- pay all their payable obligations towards BVV Trade Fairs Brno (otherwise the exhibitors will be disabled to leave the Exhibition Centre).

Any material left within the exhibition areas will be considered as waste, and will be physically disposed of following the end of the dismantling period. Following the end of the dismantling period, the exhibition area must be returned to the exhibition hall technician (unless stand construction is performed by BVV Trade Fairs Brno). BVV Trade Fairs Brno will not be held responsible for any damages incurred.

Dismantling of flower decorations, curtains, and electrical installations by BVV Trade Fairs Brno commences immediately after the closing of the fair. Earlier dismantling is not acceptable.

Exhibitors are kindly asked to return, prior to their departure, all items borrowed from BVV Trade Fairs Brno, namely telephones, kitchenette equipment, etc. The value of all items not returned will be invoiced to the exhibitor.

Disposal of metal chips, oils, and lubricants

To dispose of metal chips and similar kinds of waste please use the special collection container placed by the exhibition halls. More information can be obtained from door guards of the exhibition halls.

SERVICE FOR EXHIBITORS

A) CENTRAL SERVICE FOR EXHIBITORS

accept orders for exhibition stand construction, supply of exhibition equipment, electrical and water connections, cleaning, flowers, photographic services, individual guarding of stands, additional issuing and sale of passes, parking, and entries to the Exhibition Centre. Contacts see – Central service – CONTACTS.

Passes and documents required for parking and entries

purchased or not sent, for any reasons, by regular post, are ready **on the ground floor of the high-rise building or at the P Hall** (central service – CONTACTS). There it is also possible to buy extra passes as well as parking and entry documents).

Hall technician provides for services related to the operation of exhibition halls and outdoor areas. The supervisor approves the commencement of assembly works in the exhibition area, after the end of the event takes over the cleared exhibition area from the exhibitor or assembly company. Controls and co-ordinates the construction of stands, supply of exhibition equipment and installation of technical connections. Contact persons for respective exhibition halls – see CONTACTS.

B) ADDITIONAL SERVICES – INFO STANDS

Additional services for exhibitors are mediated by the staff of the INFO STANDS located in exhibition halls.

Operation from October 21, 2021

The staff at these INFO STANDS can provide contacts for exhibitors to the appropriate partners on the exhibition centre, and mediate contact through the information service or individual operational sections. They are open on the final day of the build up period and for the entire course of the event. Furthermore, the INFO STAND staff provide such services as catalogue sale, Wi-Fi sale, copying.

C) WI-FI CONNECTION AT THE GROUNDS

A wireless network for mobile access to a high-speed Internet service is available on the grounds of BVV Trade Fairs Brno. This service operates as a standard Wi-Fi – 802.11b/g and is provided for BVV Trade Fairs Brno by the company T-Mobile Czech Republic a.s. You can purchase coupons with passwords and logins at the info stands. The connection speed and quality is dependent on the number of users logged-on.

The number of log-on slots is limited, for which reason constant data transmission cannot be entirely guaranteed.

In view of your request relating to guaranteed connection speed, we recommend you to use our fixed Internet connection service, which you can find in the Order Block (see www.bvv.cz/orderforms). Contact: **Josef Dosoudil**, phone: +420 541 152 810, e-mail: jdosoudil@bvv.cz. The coupons are offered for a one-day connection in the value of 250 CZK incl. VAT and for the entire course of the event in the value of 500 CZK incl. VAT.

Exhibitors are not entitled to install their own Wi-Fi networks – this includes networks using their own Wi-Fi router installed on a landline connection set up by the trade fair administration and shared connections from mobile devices. Should the trade fair administration discover any violation of the above prohibition, it will demand that the exhibitor in question halts operation of the Wi-Fi network in question. The exhibitor will be obliged to terminate the use of the given device immediately (within 30 minutes at the latest of receiving the given demand). The trade fair administration is entitled to demand a contractual penalty to the amount of 10,000 CZK following the expiry of this period.
