We wish you a pleasant stay and successful business negotiations.

The entry of vehicles to the Exhibition Centre during course of fair – gate 4, 7 and 8.

Drivers are obliged to respect the orders of the guard service.

All vehicles must observe the traffic signs on the premises (especially those forbidding parking on designated areas) and leave the Exhibition Centre each day by the end of opening hours at the latest. Parking of trailers on the exhibition grounds after the end of operating hours is not permitted. Violations will be subject to a fine of 5,000 CZK.

Overnight parking of vehicles on the exhibition premises is not permitted. The entry of vehicles into halls is prohibited. If there is a vehicle in the pavilion as part of the exhibition, charging batteries inside the pavilion is prohibited.

When leaving the exhibition grounds, it is necessary to present a copy of the registered items list at the gate, which was confirmed by the security staff upon entry. Upon request by the security staff, the driver is required to allow a check of the vehicle's trunk for the protection of the property of the Brno Exhibition Company and other exhibitors. Any items discovered by the security guard in vehicles leaving the Exhibition Centre which are labelled as the BVV Trade Fairs Brno property and not included in the list of items declared and confirmed by the security guard on entering the Exhibition Centre, will be confiscated by the security guard. The same applies to exhibits and other materials taken out through the gates.

production of items for assembly, surface painting, creating dust or otherwise disturbing other exhibitors is prohibited in exhibition halls, and will be subject to a penalty.

Waste disposal. For the disposal of waste generated mainly during the assembly and disassembly of exhibitions, colour-coded containers for separated waste are placed at individual pavilions. Information is available at the pavilions' gatehouses.
