DEAR EXHIBITORS,

We would first like to draw your attention to the most important rules relating to the preparation of the trade fairs (the assembly period), the course of the fairs, and the stand dismantling period. For the sake of smooth and mutually pleasant progress of all three of these stages, we would ask you to ensure that you are thoroughly acquainted with the General Conditions for Participation, which are a part of the form Binding Application, and which, with your signature, you have undertaken to respect.

We wish you a pleasant stay and successful business negotiations.

Organizer: BVV Trade Fairs Brno, Výstaviště 1, CZ 603 00 Brno

GENERAL RULES

The entry of vehicles to the Exhibition Centre – gate 4 within the daily operating area.

Drivers are obliged to respect the orders of the guard service. All vehicles must observe the traffic signs on the premises (**especially those forbidding parking on designated areas**) and leave the Exhibition Centre each day by the end of opening hours at the latest.

Stopping of trailer trolleys in the exhibition grounds after the end of operating hours is not permitted. Overnight parking of vehicles on the exhibition premises is not permitted.

For exhibitors - holders of Free car passes - parking spaces are available in the vicinity of the event venue. For the immediate movement of your car near the hall, 1 hour before the start of the event and 1 hour after the end of the event will be reserved each day for a refundable deposit of CZK 1,000 (see COURSE OF FAIR – Vehicle entry to the Exhibition Centre). **The entry of vehicles into halls is prohibited.** If there is a vehicle in the pavilion as part of the exhibition, charging batteries inside the pavilion is prohibited. The entry of lorries onto the exhibition premises during the trade fair is not permitted. In the event of a violation of the above parking and entry rules, BVV Trade Fairs Brno is entitled to tow the vehicle to a designated parking lot or secure the vehicle with a blocking device. In such a case, BVV Trade Fairs Brno is also entitled to demand payment of all costs associated with the application of these measures and a contractual penalty of CZK 5,000.

On exit of vehicles from the Exhibition Centre, a copy of the list of items declared and confirmed by the security service officer on entering the Exhibition Centre, must be submitted at the gate. At the request of the security guard at the gate the driver is, in the interests of protecting the property of BVV Trade Fairs Brno and other exhibitors, obliged to allow the contents of the luggage space of his vehicle to be inspected. Any items discovered by the security guard in vehicles leaving the Exhibition Centre which are labelled as the BVV Trade Fairs Brno property and not included in the list of items declared and confirmed by the security guard on entering the Exhibition Centre, will be confiscated by the security guard. The same applies to exhibits and other materials taken out through the gates.

Assembly and Dismantling Passes: The passes are provided free of charge in the quantity of 2. Additional Assembly and Dismantling Passes are subject to ordering and payment. (See ASSEMBLY PERIOD – Entry to the Exhibition Centre). A Pass holder is obliged to wear it visibly all the time spent at the exhibition centre. In case of nonobservance BVV Trade Fairs Brno can order untagged person out of the hall or of the exhibition centre.

Escape routes must be kept clear. For safety reasons, assembled and dismantled material, packaging and exhibits may not block aisles between exhibition stands. Assembly work only is permitted in the exhibition halls. The production of items for assembly, surface painting, creating dust or otherwise disturbing other exhibitors is prohibited in exhibition halls, and will be subject to a penalty.

We recommend that you insure exhibits (including packaging) against any possible damage or loss or recommend individual stand security. The trade fair administration will not be held liable for any such damages. Premium payments can only be drawn from contracts entered by the exhibitor.

Receptions and cocktail parties may only be held on exhibition stands during the event, during the regular opening hours of the hall, i.e. by 06:00 pm (last day of the event by 04:00 pm).

Acoustic advertisements and musical productions are permitted in halls only if they do not disturb neighbouring stands and are not louder than 70 dB at the edge of the stand. On open areas music presentation is allowed during the whole course of the event maximum volume being 50 dB due to trade fair radio broadcasting. If this condition is not respected, BVV Trade Fairs Brno may order the production to be terminated. For purposes of the music production the hirer is then obliged, to ask the approval of the competent administrator of copyrights (OSA, INTERGRAM) – according to the law No. 121/2000 Coll., Author 's law, in the applicable version.

Placing your own advertisements on the exhibition grounds outside the exhibition area is not permitted.

Mass distribution of promotional materials or dropping them over the exhibition grounds from chartered aircraft or balloons is not permitted without the prior consent of the trade fair administration. Any additional costs incurred for cleaning the areas will be billed to the relevant exhibitor. You are authorized to promote your products and services only within your own exhibition stand. Sending advertising messages within the exhibition grounds via Bluetooth technology or BTS cell towers is also not permitted without the prior consent of BVV Trade Fairs Brno. The use of advertising vehicles such as motorcycles, bicycles, e-bikes, scooters, electric scooters, unicycles, skateboards, hoverboards, roller skates, two-wheeled self-balancing vehicles, and other means of transportation within the exhibition grounds is also not permitted without the prior consent of the trade fair administration. Placing company banners, distributing printed materials, advertising or other samples, etc., and posting promotional and informational materials outside one's own exhibition stand, on windows, walls, floors, or pillars of the pavilions is not permitted. The fair administration is authorized to prohibit any advertising that does not comply with the above rules, or to remove it at the exhibitor's expense. You may order advertising media, spaces, and promotional activities from Mr. Zahradníček (see contact information on page 1).

We recommend that exhibitors should hand keys from secured areas on their stand to the front desk in their exhibition hall. Should they not do so, in the event of a fire alert or an equipment failure in the locked area, they will be charged any costs associated with forced entry into the area in question.

Stand cleaning outside opening hours may be performed only by contractual cleaning companies of the BVV Trade Fairs Brno.

The admission of pets (dogs and cats, etc.) to the Exhibition Centre is not permitted during the Assembly and Dismantling periods. For the course of the fair, the Visitor Rules of Trade Fairs Brno are applicable. The entry by bicycle to the Exhibition Centre is prohibited. The use of means of transport such as bicycles, skateboards, roller skates, scooters, two wheeled handcarts and other means of motion (e.g. jumping boots, stilts) on the Exhibition Centre is not permitted either without the prior agreement by the fair administration.

Exhibitors should contact these companies directly (not through BVV Trade Fairs Brno). These companies provide forwarding services for exhibitors, i.e. unloading and loading of exhibition materials, transportation to stands, the removal, storage and return of empty packaging, and assembly and dismantling work.

Exhibitors are not allowed to use their own mechanical equipment for loading and unloading or for assembly and dismantling work!

The removal and storage of empty packaging and its subsequent return should be ordered from one of the forwarding companies given above. Empty packaging, marked in accordance with forwarding company instructions, will be stored in the packaging storage hall. Its return will commence an hour after the official closing of the event. The storage of assembly tools, exhibition elements and parts of exhibits in the storage hall can be ordered through the forwarding companies. Unmarked packaging and unwanted used material will be taken to a dump for disposal after 08:00 pm. Unmarked exhibits left outside the rented exhibition area will be taken to the

storage hall and sold or disposed of after a period of 15 days has elapsed. Any costs incurred will be charged to the exhibitor. Storage of packaging and installation material behind exhibition stands is prohibited.

Transportation and handling services must be ordered in advance. The given forwarding companies can also mediate customs services for you.

All consignments must be labelled with the name of the exhibiting company, its location at the fair, and the name of the event to which they are being sent. The recipient of such consignments is neither BVV Trade Fairs Brno nor the trade fair administration. BVV Trade Fairs Brno will not be held responsible for any consequences resulting from the incorrect addressing of consignments or any violation of regulations relating to the importing of goods.

5. THE CONSTRUCTION OF EXHIBITION STANDS

(ends on June 01, 2026, at 08:00 pm)

The Stand Construction and Services Department of BVV Trade Fairs Brno (Mr. Adam Touš, tel. +420 541 153 039, e-mail: atous@bvv.cz) offers you a complete exhibition stand design and construction services, i.e.:

- preparing bid projects including quotations,
- creative preparation of exhibition stand layout - planning and art design including graphic design and electrical connection projects,
- complete project implementation,
- exhibition stands from the OCTANORM, MONTI, MAXIMA-LIGHT, DOPPELFORM systems as well as custom-made exhibition stands.

In case you decide to use services of a stand construction company other than BVV or build your exhibition stand on your own, it is necessary to observe our General Conditions for Participation (which are a part of the form Binding Application) and the Technical Safety Regulations.

- **technical plan of your exhibition stand** must be submitted within the given deadline (see SCHEDULE) in electronic form for approval to BVV Trade Fairs Brno (Mr. Erik Pěček, e-mail: projekty@bvv.cz). In case of hung-up construction parts (structures), a structural analysis must be submitted.

- **the exhibition space must be taken over** from the production technician (see CONTACTS) and returned in its original condition following the end of the dismantling period. At the exhibition area takeover, the following documents are required:

- confirmed request for exhibition stand approval;
- proof of payment of the ordered services provided by BVV Trade Fairs Brno – these services will not be available unless they are paid.

Approval of the exhibition stand project documentation:

- **Request for Exhibition Stand Approval form:** sending a completed request for exhibition stand approval is an essential duty for all exhibitors. An approved and certified request for exhibition stand approval is necessary for the exhibition area takeover by an exhibitor or a construction company. The form is available on: <https://ikancelar.bvv.cz>

The exhibition area will not be handed over to the exhibitor unless the invoice for rental of the area has been paid! A proof of the payment must be submitted on request.

In case of violation of the General Conditions for Participation and the Technical Safety Regulations incl. fire regulations, water mains, electricity to the stand will not be provided, or the entry to the stand will be prevented by a screen.

Exhibition stands of more than one storey must also meet special fire prevention conditions. Such stands must be submitted for approval by the BVV Trade Fairs fire prevention specialist (e-mail: jpolach@bvv.cz) at the design or study stage.

During the approval of exhibition stands exhibitors are obliged to allow the members of the approval committee to inspect their exhibition stands.
